ProQuest's History Ebook Subscription™

39,800+ TITLES   **VERY AFFORDABLE**   **UNLIMITED ACCESS**
ProQuest offers the largest subscription of high quality, aggregated ebooks in history that are available anytime and anywhere. With more than 39,800 hand selected titles, the subscription provides a critical base of ebooks that support undergraduate and graduate history programs and provides historical background for researchers in many other areas of study. Key topics covered include world history, political science, history of military, business and economics, religion, fine arts, and much more.

More than 140 university presses contribute to this subscription including Oxford UP, University of California Press, SUNY, Princeton UP, Cambridge UP, University of Texas Press, and University of Toronto Press. Other notable publishers include Routledge, John Wiley & Sons, Rowman & Littlefield, SAGE Publications, Brill, Rand Corporation, and Palgrave Macmillan.

The subscription includes more than 4,000 *CHOICE* and RCL award winning titles. It also includes a growing selection of Wiley titles that are only available in subscription through ProQuest including RCL award winner, "Wiley Blackwell Companion to Political Geography (2017)," "Peace in the Ancient World: Concepts and Theories (2016)," and "The Art of War in the Network Age: Back to the Future (2016)."
All ProQuest subscriptions are delivered on the Ebook Central platform, which offers DRM-free chapter downloads, bookshelves, annotating and other features that enhance the research experience and improve outcomes. ProQuest is also the only ebook provider that offers both session and user-based usage data with Patron Analytics. Subscriptions offer unlimited multi-user access, continue to grow, and are affordably priced based on full-time equivalent (FTE) students. If libraries were to purchase every title in this subscription under a single user perpetual access model it would cost more than $2.8 million.

ProQuest®

Offering journals alone won't give your researchers — or faculty — the support they need. Offer a diverse collection comprised of books and ebooks, along with other resources, to help researchers succeed. According to a 2017 ProQuest survey, nearly 100% of faculty recommend ebooks to their students and almost 80% use ebooks in their research.

CONTENT DIVERSITY IS CRITICAL.

In 2017, ProQuest asked researchers from around the globe what types of resources they use in their research. Two out of three respondents indicated they use every content type with books and ebooks being the most popular.

In a 2017 ProQuest survey, nearly 100% of faculty recommend ebooks to their students and more than 80% use ebooks in their research.

FOR THE GREATEST VALUE, CHOOSE ACADEMIC COMPLETE.

Our ten subject subscriptions are subsets of our flagship product Academic Complete, which is trusted by thousands of libraries around the globe. Focused on quality over quantity, Academic Complete offers over 185,000 multi-disciplinary ebooks from renowned publishers including a growing number of unique Wiley titles. It also offers complimentary technologies for driving usage and discovery including seven Syndetics Unbound enrichment elements and the Book Display Widget. Also inquire about our University Press Ebook Subscription and Reference Ebook Subscription. Both are designed to work better together with Academic Complete.

"Academic Complete helps us to provide more ebooks for undergrads in subject areas in which we might not always choose to purchase ebooks. The interface has always been the simplest to use, and the one that our users seem to like the most. Also, the multiple users for every title is invaluable - we never have to worry about turnaways."

- Anne Cerstvik Nolan, Electronic Resources Librarian, Brown University Library
